

## ***Cohen Congratulates Greene for Successful Ring Return***

Greg Cohen of Greg Cohen Promotions wishes to congratulate his fighter, super middleweight contender "Mean" Joe Greene (23-1, 15 KOs), for his KO 8 over Jackson, Tennessee's Nathan Bedwell at the Frank Cochran Center in Meridian, Mississippi, on Saturday night.

The quick victory was Greene's second since his comeback began in October. He took more than a year off after suffering his only profession loss in June 2010, via decision against Vanes Martirosyan.

"Joe looked sharp again tonight," said Cohen. "He wanted to get in a few rounds and keep himself at the top of his game and that's what he did."

Cohen says the 25-year-old southpaw is all the way back and will now be in search of a big fight.

"By the way he looked in there tonight, it's obvious Joe is ready for the top contenders and champions in the super middleweight division. He was using tonight as a yard stick and by the look of his opponent; he's all set to face anyone. Joe Greene is ready to take on the world again.
