

Final Fight Week Quotes:

Floyd Mayweather, Seven-Time and Five-Division World Champion

"Miguel is a true warrior, a tough champion and to go into the Hall Of Fame you have to face the best opponents.

"This fight had to happen and I am glad that happened when Miguel was on his own, could call the shots and dictate what he wants.

"Come May 5, I will be at my best. I have been here so many times that I know what it takes.

"I don't have to brag. I don't have to boast. Cotto is not a talker. I am outgoing and outspoken. I have a lot of personality. That's just me.

"If I only would have been a defensive fighter, I would of not have lasted this long in this sport.

"I don't have to be moving and running. I just have to box. I just have to take my time and whatever happens happens, and whatever plays out, plays out.

"I'm not more relaxed than usual. It's just I've been here. I embrace pressure. I look at it as just another day, another fight."

Miguel Cotto, Four-Time and Three-Division World Champion

"I'm a quiet guy and I prefer to talk in the ring.

"I had a tremendous camp in Orlando. I put my trust in Pedro [Diaz], in every member of my team and, most importantly, myself.

"All of the work that we put in in Orlando and all the work that we put in here [in Las Vegas], will bring me the victory Saturday night. I am prepared and happy to be here.

"No matter what, I am going to use what I have to fight Floyd. I'm prepared for his style.

"I am going to be the first guy to beat Mayweather.

"Everyone will see my strategy on May 5."

Canelo Alvarez, WBC Super Welterweight World Champion

"I can only say good things about Sugar Shane Mosley. He is a great champion, but I have trained hard for this fight and I feel that I am going to win it. It's going to be a victory for all of Mexico.

"Mosley is a great fighter and despite his age, he has taken very good care of his body.

"Even though Mosley is a veteran fighter, he can still beat a lot of young guys. I'm prepared for the best Mosley ever.

"You really can't compare him [Mosley] to anybody. He is a complete fighter. He's fast, he's strong...he's everything. I have never faced anybody like him.

"The key in this fight for me is not to get desperate. I have to take my time and stick to my game plan.

"This is just another test, another gate that I have to walk through. With Mosley being who he is, I feel that I have entered the big leagues."

Sugar Shane Mosley, Six-Time and Three-Division World Champion

"This is going to be a great fight. I'm in great shape and I'm ready to rock and roll.

"Canelo wants to test himself and see if he is among the elite fighters. This is a golden opportunity for me, so I'm very, very happy.

"My plan is to do what I do, be Sugar Shane Mosley, get the punches in and win the fight.

"This is a no nonsense fight for me. I'm in there to win.

"Canelo is a good young fighter, but he probably shouldn't be in the ring with me. It should have been somebody else. Hopefully he can learn from it and become a better fighter. He seems like a good young kid.

"I think my experience is going to make a difference, but I also think that my speed and power are going to make a bigger difference.

"The motivation is fighting the right fight. The type of fight I know I can fight. That's the motivation and showing the people the way Sugar Shane really fights."
